FINDING YOUR RING SIZE

- Measure your finger in warm temperatures at the end of the day.
- If your knuckle is a lot larger than the base of your finger, use METHOD B below, except measure both the base of your finger and your knuckle and select a size between the two.

IF YOU'RE BUYING THE RING AS A SURPRISE

- Ask your intended recipient's mother or friend if they know his/her ring size.
- Borrow one of your intended recipient's rings and use METHOD A below. (Make sure to borrow a ring that fits the finger you intend your gift ring to fit.)

OTHER TIPS AND INFORMATION

- When considering a wide band, move up a size from your measurement, for comfort's sake.
- Different countries have different ring-size systems. All sizes listed here are standard American sizes.
- The average woman's ring size is about 6. The average man's ring size is about 10.
- Your ring size will be about half a size larger on your primary hand (the one you write with).

METHOD A

Measure a ring that fits you or your intended recipient. Place a ring that fits you over the circle making sure the inside of the ring lines up with the outside of the circle. If you are between sizes, order the larger size.

METHOD B

- Find a piece of non-stretchy string about 6" long, or a strip of paper about 6" long and 1/4" wide.
- Wrap it snugly around the base of your finger.
- Compare the length of the string or paper to the lines on the paper below to determine your ring size.
- Compare the length of the string or paper to the lines on the paper below to determine your ring size. If you are between sizes, order the larger size.
